Dear Rebuilding Together Greater Des Moines Volunteer:

Thank you for expressing an interest in participating as a volunteer for this year's rebuilding efforts. Our program would not be a success if not for the hardworking, dedicated volunteers that join together each year to help improve the houses of low-income homeowners, especially the elderly, persons living with disability, and families with dependent children live in warmth, safety, and independence.

The Rebuilding Together Greater Des Moines works very hard to insure that our program will benefit you, the volunteer, as well as our program recipients. With this in mind, I ask that you please fill out the "Volunteer Sign-Up" and return it to the Rebuilding Together office. We begin the process of placing volunteers at selected homes in the spring and we will notify you the end of April, if not before, of your assignment (we cannot make you any promises or guarantees about assignments but we will make every effort to accommodate your requests).

Don't miss out on the opportunity to be an important part of Rebuilding Day 2008 on May 3rd - complete the sign-up sheet and return it to:
